JAMES HERBERT CUDDINGTON

Speaking out of his long experience in visiting the Constituent Lodges our Most Worshipful Grand Secretary has often said—"The inherent strength of Freemasonry in our Province undoubtedly lies in the rural Lodges". In them is found the sincere exemplification of the Masonic tenets of Brotherly Love, Relief and Truth. These are characterized by the intimate associations and neighborliness among the members and the perfection of the "work" and real understanding of its philosophy which only careful practice and leisurely study can achieve. It is therefore, good for Freemasonry that, from time to time, a representative of this "grass-root" Masonry should be chosen as "Head of the Order".

Again we have elected such a one, a young man, western born. James Herbert Cuddington was born on May 12th, 1911, at Portage la Prairie, Manitoba, of British-born parentage. His father homesteaded in 1901 at Hudson, N.W.T., and after several moves and serving three years overseas in World War I, finally settled at Berald in 1920. Here the son completed his public and secondary school education and in 1937 established the hardware business which he still conducts.

In the same year he married Helen Eggy, who, with their two sons and a daughter, comprise the happy family of which he is so proud. He is a lifelong member of the Anglican Church, serving on the vestry.

In so far as his health would permit he has participated actively in sport and is now an enthusiastic patron of local curling, hockey and baseball. He is a leader in all worth-while community enterprises.

Trained in 'Scouting' and serving later as Scout Master, he is genuinely interested in the training of youth. Our Grand Lodge "Freemasonry and Youth Programmes" early captivated his keen interest and will progress under his sponsorship.

Brother Cuddington was raised to the Sublime Degree in Estevan Lodge No. 25, G.R.S., on May 19th, 1944, and served his Mother Lodge as Worshipful Master in 1940. Elected Grand Junior Warden in 1952, he has progressed regularly through the chairs to his present exalted station—the 49th Grand Master of the Grand Lodge of Saskatchewan.

"I love a little country town
Where folks have time for friends,
Where wells of kindness feed the heart
And friendship never ends."

On the local scene, Brother Cuddington will recall to us Freemasonry's "distinguishing characteristics of Virtue, Honour and Mercy" and the simple faith, friendliness and fortitude of our Fathers. In the wider field of Masonry universal, he will demonstrate "that the man who has the spirit of brotherly love in his heart and who walks humbly before his God is the true leader of the world today."

Grand Lodge of Saskatchewan A. F. & A. M.

PROCEEDINGS: ANNUAL COMMUNICATION

Representatives of the Lodges assembled in the Hotel Saskatchewan, in the City of Regina, at 9.00 a.m. on Wednesday, June 14th, 1955.

9.05 Deputy Grand Master, Grand Officers and Past Grand Masters entered Grand Lodge in double file, led by Bro. Cpl. R. Cave and Bro. Cpl. C. T. Hutchings (R.C.M. Police) in dress uniform.

9.15 a.m. The most Worshipful the Grand Master entered Grand Lodge escorted by Bro. Cpl. R. Cave and Bro. Cpl. C. T. Hutchings.

The Brethren joined in singing "O Canada."

FLAG CEREMONY

Bro. Cpl. R. Cave, Royal Canadian Mounted Police, presented the Union Jack and Bro. Cpl. C. T. Hutchings presented the Stars and Stripes at the Altar, using the following ceremony:

"I now present our Flag—the Union Jack—the emblem of Freedom and Democracy.

"As its component crosses were successively combined to evolve the voluntary unions of free peoples, so may it continue to typify the greater union of our wider Commonwealth.

"May the red, the colour of the sacrificial blood of the martyrs, the white like the snowy lambskin of Masonry, and the blue of the changeful vault of the sky, symbolically depicting COURAGE, PURITY and TRUTH, blend wherever it floats the wide world round to blazon forth a sure pledge of Liberty, Equality and Fraternity for all peoples everywhere. Long may it wave!"

So mote it be.

NATIONAL ANTHEM.

"I now present the flag of the United States of America—the Stars and Stripes. As its stripes represent the original thirteen states and its stars represent the original thirteen and thirty-five other states which have been added expressively to the great Republic, so may it continue to grow in the respect of other nations and in its powerful support of freedom the wide world over.

"The flag which I now present is a Ceremonial Flag, the gift of the Brethren of the Grand Lodge of Montana, and expresses not only their patriotism, but also their regard and affection for the Brethren of Saskatchewan.

"I join with my brother flag-bearer and borrow his words. Wherever the Union Jack and the Stars and Stripes float, may they, with one voice, blazon forth a sure pledge of Liberty, Equality and Fraternity for all peoples everywhere. In the unity of that pledge, long may they wave."

So mote it be.

GOD BLESS AMERICA

It is my sincere wish that our deliberations shall be harmonious and that much benefit shall result therefrom. I trust that we will all return to our respective Lodges feeling that our Annual Communication was in the best interests of the high ideals of our Craft.

The Grand Master, in welcoming our distinguished Brethren, referred to the fact that as Grand Master of the Grand Lodge of Saskatchewan, he had been the frequent of many kindnesses and courtesies from Past Grand Jurisdictions. He expressed the hope that our distinguished guests would enjoy their visit to Saskatchewan and suggested that, thereafter, Grand Lodge visitations made a new relation to our Brethren and better understanding mutually and inter-branches. He then in very appropriate manner, extended a few words of welcome to each individual distinguished guest and in doing so made reference to the Grand Jurisdiction they represented and its particular association with our Grand Lodge.

Our distinguished guests were escorted to the East and were accorded Grand Honours.

Grand Master's Address

The M. W. the Grand Master delivered the following address which, on motion of M. W. Bros. Ford C. Wilson and R. L. Hartsedge, was referred to the Committee on Grand Master's Address and Jurisprudence:

To the Most Worshipful the Grand Lodge of Saskatchewan,
 A. F. & A. M.

My Brethren:

It is my privilege to extend to each and all a hearty fraternal welcome to this the Forty-Ninth Annual Communication of the Most Worshipful the Grand Lodge of Saskatchewan, A. F. & A. M.

We are assembled to review the work of the past year, to approve the same if well done, to provide for the needs of an ever extending Order, to increase our effectiveness and to prepare the Trestle Board for the coming year.

My Brethren, an Annual Communication of Freemasonry affords us the opportunity of enjoying Masonic fellowship and gaining inspiration. This inspiration and fellowship come to us every year as we meet with our Brethren from all parts of Saskatchewan. Each year, too, we profit by the contribution and gain inspiration from the attendance of the masters of the Craft in our Sister Grand Jurisdictions. This year we have the honor and pleasure of welcoming distinguished representation from the Grand Lodges of Canada in the Province of Ontario, Manitoba, Alberta, Illinois, Minnesota and New York. On your behalf I extend to them the right hand of Saskatchewan Masonic fellowship.

I would remind you that this is YOUR Grand Lodge Commemoration, not that of Grand Lodge Officers or of any group. The Board of General Purposes, which met yesterday is but the agency of Grand Lodge as a whole. The Grand Lodge Officers and Committee members will report to you on their activities of the past year and must in orderly and efficient conduct of our proceedings.

We should remember that Masonry's strength does not come from a few Lodges with large membership and ample funds, but rather from many Lodges, mostly small, but close to the hearts and homes of our people and all imbued with that spirit of unity which springs from Brotherhood.

DISTRICT MEETINGS

Experience is demonstrating the soundness of the policy of reducing the size and increasing the number of Districts. These changes make for closer knit groups and more intimate fellowship and the stimulation of discussion of Ritualistic and Constitutional problems.

Your Grand Master could not make the tour of District Meetings without realizing the great strength of rural Freemasonry and the genuine appreciation of the membership for the highest ideal of the Craft. The wholesome friendliness that was in evidence on every hand made participation therein a privileged experience.

The sunset gate, the goal

The summit of their climb,

AMENDMENTS TO BY-LAWS

A number of resolutions amendments to By-Laws, submitted by Lodges, were presented Qu Appelle Valley Lodge No. 4, Past Qu Appelle submitted an amendment to their By-Laws which read as follows: "Life Members shall be expected to contribute \$5.00 per year towards Lodge expenses." This amendment was not approved.

DISPENSATIONS AND RULINGS

The Grand Lodge of Nova Scotia made application for a Waiver of Jurisdiction in the case of Jurisdiction - Charles Newman Brown, R.N. who prior to enactment was a resident of Windsor. After contacting Windsor Lodge No. 44 and receiving a most favorable report with respect to the suitability of this applicant, the application was granted.

After careful investigation I authorized a Dispensation to Kensington Lodge No. 79 waiving the requirements of our Constitutions as a residence in the case of an applicant a member of the R.C.M. Force.

After careful investigation and being satisfied that there was no intentional violation of the Constitution, I authorized a Dispensation to Prince Rupert Lodge No. 116, H.M.C.M. having the strong letter of warning the B.C. Reg. as without the constitutional input of June 2nd date of failed.

Kensington Lodge No. 140 reported a violation arising out of a member's standing of the effect of Section 116, resulting in the rejection of an applicant. I authorized a Dispensation waiving the requirements of Section 116 as to lapse of time before a second application.

Paragon Lodge No. 114 Redford reported a violation involving confusion in the respect to the reg. was taken on a petition for initiation. Being satisfied that the best solution was to dispense with the reg. with the requirements of Section 116, I authorized a Dispensation waiving the reg. Section as to lapse of time before a second application.

Section 116 having an explicit my predecessors have had to deal with these problems pertaining to irregularity as a violation with the intent to deliver some of sort of irregularity in the authorized procedure. I authorized that they are not fully approved with the intent of the reg. as to office. All lodge officers need the information provided as information required in our District Meetings, under the reg. as to irregularity.

Unity Lodge No. 114 offered assistance in March 1914 in having the meeting quarters badly damaged by fire. Fortunately the books of record were not kept in the fire and was escaped damage. However, the lodge offered no financial assistance. Dispensation was authorized permitting Unity Lodge to meet in the vicinity of Kensington Lodge No. 14 Adams until such time as meeting lodge quarters are again available in Unity. We all regret the misfortune and trust the loss will in no way interfere with the spiritual activities of Unity Lodge.

Provincially has always demonstrated interest in small group of members in one of our lodges during the year developed a scheme which was in line the characteristics of a society, having hereby to which should represent and have no lodge. This they did without thought of how it would be met. These circumstances of the plan necessitate a weighty protest in the office of the Grand Secretary, I gave the matter a thorough being brought to the attention of the lodge and the Secretary submitted this expressed report demonstrated the protest and the protest was closed without loss of harmony, giving the matter beyond it demonstrates clearly how useful we must be as members of the Craft to watch our own conduct and also to preserve the sacred principles of Freemasonry.

At Christmas time the Grand Secretary and I sent out the following Christmas Greeting to all the Lodges. Through "The Tracing Board" the Greeting went to most of our members:

CHRISTMAS

1954

St Mary of Bethlehem was founded as a hospital in England in the year 1247 Two centuries later it was turned into a hospital for the insane The name and confusion of the institution became known throughout the land The original name was changed through corruption and corruption to Bethlehem Bethlehem it's a parallel to what we have done This world was meant to be a place of peace and good will, but we have made it a place of war and confusion.

We can have peace on earth and good will among men, but it will only come about as we follow Him whose birthday we celebrate at Christmas. Christmas calls us to a rebirth of His spirit of peace and good will in ourselves. As we practice His teachings in our day by day relations with our fellowmen, it will come. As we live beside, walk beside, work beside, think beside our neighbor in the light of His teachings, it will come. History has taught us that we can and must live as one united people.

Christmas tells us that Bethlehem can be made Bethlehem in personal life and in the life of the nation. We often grope for something to give us guidance. Nothing can guide, strengthen, or inspire us as He can. He is our example. His teaching is always with us. A rebirth of His spirit in each of us is the starting point. From us it must work its way out into daily life in wider circles until all the world sings "Peace on earth, good will to men." Then Bethlehem will give way to Bethshem.

Robt. A. Tate,
Grand Secretary

R. E. Partridge,
Grand Master

CHANGE OF MEETING PLACE

After careful inquiry and investigation and having assurance that all Constitutional requirements had been complied with, I approved of the change of meeting place of Weyburne Lodge No. 122, from Weyburne to Melford. I am confident that the Lodge will develop and benefit as a result of this change in place of meeting.

ANNIVERSARIES

While Saskatchewan is a comparatively young Grand Lodge, nevertheless our Senior Lodge, in November last, celebrated its Seventy-Fifth Anniversary. Almost no Lodge No. 1 at Prince Albert was in its twenty-seventh year when this Grand Lodge was founded in 1906. It was my happy privilege to attend their Anniversary Celebrations and congratulate the members on the history and achievements of the Lodge.

Celebrations are also in order at Carlyle Lodge No. 17 and Weyburn Lodge No. 20 on having, during the past year, reached their fiftieth milestones.

CONFERENCES

I attended three important Conferences of Grand Lodge officials during the year held respectively at Banff, Alberta, Toronto, Ontario, and Washington, D.C.

The Fourteenth Annual Conference of Western Canadian Grand Lodges was held at Banff on September 9th, 10th and 11th, 1934. The Grand Lodge of Saskatchewan was represented by Most Worshipful Brother Robt. A. Tate, Grand Secretary, Right Worshipful Brothers J. H. Coddington, Deputy Grand Master, R. C. Hodgman, Grand Sen. or Warden, and myself. A detailed report will be presented to Grand Lodge by the Deputy Grand Master.

The Fourth Biennial Conference of Canadian Grand Lodges was held in Toronto on February 17th, 18th and 19th, 1935. All Canadian Grand Lodges, with the exception of British Columbia, were represented, together with the District Grand Lodges of Newfoundland. The agenda covered a wide range of subjects of general interest vital to the well-being and advancement of Freemasonry. Your Grand Master had the honor of presiding over this Conference.

BARRY ATT MECHANICAL - 401-785-2100 / 10000 16th Ave. N.E.

It is this Golden Jubilee Anniversary Year of the formation of the Free State we are impressed by the fact that many members of our League from the neighbouring provinces and distant villages have come here to take part in the various functions. They have made splendid use of the money at the hands of education and given the government the most appropriate and judicious help. In fact, as our giving has responded in similar manner to the response of the private and out way of the Government to be seen and and in the air by their deeds our members have shown that they have fully appreciated their responsibility of support. They have given themselves to be seen when without waiting applause are used by noble minded men recognized by the Government and rewarded by their appreciation and the one and same will they have accomplished their task. They have thereby enriched the history of Bismarckism and contributed greatly to making this Golden Jubilee Anniversary an event of which all may be justly proud.

CONCLUSION

At the conclusion of my year as Grand Master, I am more than ever convinced that Saskatchewan Freemasonry, through its individual membership, has made and continues to make a very real and worthwhile contribution to community life, sound thinking and good citizenship. A fundamental Masonic teaching is tolerance. Ours is a frontier province and as such our citizens are cosmopolitan as to race, creed and colour. As Canadians and as Freemasons we have a very definite responsibility to assist in the blending of all factions, all groups and all families into one united Canadian citizenship—a Canadian citizenship that will jealously guard these great principles of individual freedom so gallantly defended in two World Wars. Let us live our Masonry and reaffirm an unshakable faith in the Most High. Let us renew our unbounded confidence in the ideals of democratic freedom, determined to do the right because it is right, and march forward, humbly but confidently, side by side with our fellow men of every creed, race and colour, to the realization of the great Masonic poet's vision:

Then let us pray that come it may,
As come it will for a' that,
That sense and worth o'er a' the earth
May bear the groe, and a' that,
For a' that, and a' that,
It's coming yet for a' that,
That man to man the warl o'er,
Shall brothers be for a' that."

Fraternally and respectfully submitted,
R. E. FARTRIDGE, Grand Master

Grand Secretary's Report

The Grand Secretary, M W Bro. Robt. A. Tate, submitted the following report, which, on motion of M W Bro. Robt. A. Tate and F. C. Wilson, was received and referred to the Committee on Finance:

To the M.W. the Grand Lodge of Saskatchewan, A F & A.M.
Brethren:

My annual report as Grand Secretary is presented herewith

MEETING OF INSTRUCTION D.D.G.M.s

Immediately after the close of Grand Lodge on June 17th, I attended a Meeting of Instruction for the newly invested D.D.G.M.s. A memorandum giving complete detail with respect to the organization and conducting of the 1964 District Meetings had been prepared and sent to each D.D.G.M.-elect early in the year, together with a letter urging immediate preliminary organization and an additional memorandum of instruction relative to the duties and responsibilities of a D.D.G.M. on the occasion of his official visit. This material being in the hands of all D.D.G.M.s, I conducted an Open Forum, thus providing an opportunity for full discussion relative to any problems that might be encountered by a D.D.G.M. in connection with his District Meeting or his official visits.

DISTRICT FELLOWSHIP MEETINGS

In conformity with the practice of previous years and in consultation with the Grand Master I developed a Program and Itinerary for the Annual District Fellowship Meetings (see Appendix 1964 Proceedings). The Program provided for a Series Lodge Officers Informal Meeting immediately preceding the first Meeting. At this informal meeting an representative of the Board of Grand Lodge of The Work dealt with the duties and responsibilities of Grand Lodge Officers. The Program for the Afternoon Session included the reading of several portions of the By-Laws and the reading of Reports on the P. A. P. I. and M. M. I. by two lay members of the Board of Grand Lodge of The Work, a report and discussion on the situation and gave authorial information relative to same. I also conducted an Open Forum for the discussion of Rituals and ritual related problems. At the Evening Session I delivered an address on "Masonic Humor and Story Telling".

DEDICATION

In connection with the issue of District Meetings, I assisted the Grand Master in the ceremony of dedicating the Masonic Temple of Concord Lodge No. 132 on July 18th, 1964. I wish to record my congratulations to the Brothers of Concord Lodge on having acquired a Temple that is a credit to Freemasonry in the Brothers of Concord and to the town itself.

PROCEEDINGS COMMISSIONS, ETC.

Immediately after the close of the Forty Eighth Annual Convention the Proceedings were compiled and submitted for publication and on August 22nd, 1964 copies were mailed to all Lodges, Officers of Grand Lodge, Members of the Board of Grand Lodge and all Grand Lodges to which we are in fraternal relationship.

The mimeographing, printing and sending out of lists of Resignations, Rejoinders and Restorations, Sons, Sons-in-Law, with a letter of instruction, new Degrees, Return from Bonds for the five year period February, 1963 to August, 1964. Notice of Motion to amend the Constitution, Notice of the Forty Ninth Annual Commemoration of Grand Lodge, dates and correspondence relative to the Freemasonry and Youth Program and the Committee on Masonic History. Memorial Cards in tribute to the members of M. W. Bros. W. L. Link, J. R. Lewis and W. H. Moore and the distribution of mimeographed copies of the addresses delivered at the 1964 Conference of Western Grand Lodges to all Lodges receiving prompt and careful attention.

The Auditors and Grand Treasurers Statements for the biennial year ending March 31st, 1964 were printed, and with a mimeographed letter, sent to the Secretaries of all Lodges.

FARTHEST NORTH URANIUM LODGE U.D.

Honoring the Commission of the Most Worshipful the Grand Master, I attended, on August 5th, 1954, and formally instituted, with the assistance of Rt. Wor. Brother J. Booth of Edmonton, Alberta, a new Lodge at Eldorado, Saskatchewan. The Lodge is

located in the extreme northwest corner of the Province, some five hundred miles by air, northeast of Edmonton and about an equal distance northwest of Prince Albert. It is literally "within the shadow of the Pole" The Lodge is centrally located in this uranium mining area and the membership is made up of Brethren from Eldorado, Uranium City, Nesbitt Lake and Gunnar Gold. Twenty-one Brethren signed the Petition. The Officers are keen and capable, the Lodge meeting quarters are in every way satisfactory, the prospects for the future are bright and I strongly recommend the granting of a Charter to this outpost Lodge.

LAYING CORNER STONE

The Brethren of Battle Lodge No. 18, Battleford, have erected a Masonic Temple of which they have every right to be proud. This new Temple is a credit to Freemasonry and a fitting meeting place for this historic Lodge. I was very pleased to be associated with our Grand Master in the Ceremony of Laying the Corner Stone on May 25th, 1955.

CONCLUSION

The efficient administration of my office depends in a great measure on the co-operation we receive from the Secretaries of our Lodges. I wish to record my grateful appreciation to this group of unselfish, hard-working Craftsmen for the fine manner in which they have worked with me and my office staff during the past year. Saskatchewan Freemasonry owes much to the efficient, faithful services so consistently rendered by our Lodge Secretaries. I also express my appreciation for the loyal support I have received from the D.D.G.M.s, Grand Lodge Officers and all Brethren with whom I have had the privilege of serving.

I am indebted to our Grand Master for his many acts of thoughtful kindness. He has consistently been very considerate of the Grand Lodge Office and the volume of work being handled by the Office. It has been a pleasure and an inspiration to travel and work with him. His friendly, warm personality has made him an ambassador of Masonic friendship and goodwill in all his official contacts. His keen interest in our Youth Programme has been in evidence throughout the year. His leadership does credit to Saskatchewan Freemasonry.

I have always felt that we, in this Jurisdiction, with our immediate pioneer heritage, had a frontier obligation. This obligation has been recognized by the Institution of Uranium Lodge U.D. at Eldorado in the far northwest section of our Province and I wish to record my best wishes for the future of this, our youngest Lodge.

Finally my Brethren, I wish to thank the membership as a whole. I have been the recipient of countless thoughtful acts of kindness that have smoothed the rough spots along my highway of service. To serve Saskatchewan Freemasonry is indeed an honor and a privilege and I humbly place in your hands this record of my efforts during the past year.

"If I can help my fellow man
By thought or word or deed,
I'll feel my life has been well spent,
I'll worry not of creed.

"If I can bring a smile of joy
To eyes bedimmed with tears,
I'll worry not of sects or name,
I'll free my thoughts from fears.

"If I can lend a helping hand
To one less strong than I,
Of heaven I'll reap on this earth
Not in some distant sky."

Report of Committee on Condition of Masonry

R W Bro R. C. Hodgeson presented the report of the Committee on Condition of Masonry, which, on motion of R W Bro R. C. Hodgeson and T. R. Luke, was received and adopted as follows:

To the M W the Grand Lodge of Saskatchewan, A F & A M Brethren:

The condition of Masonry in this jurisdiction remains healthy, as indicated by the reports of the D D G M's, the minutes of District meetings and the statistical reports submitted by constituent Lodges.

ANNIVERSARIES:

North West Mounted Police Lodge No. 1, observed the 60th anniversary of the formation of the Lodge in October, 1954. The history of this Lodge is unique, being original, restricted in membership to officers and men of the North West Mounted Police. Later and holding its meetings within the confines of the barracks. It was not a later date when the Lodge's history that membership privileges were extended to civilians and that the meeting place was changed to the Masonic Temple in Regina. The Lodge has a distinguished record as the number of its outstanding members who have been awarded recognition as Grand Lodge officers. Congratulations and best wishes are extended to November 1, on the passing of this significant milestone on a long road of Masonic service.

During this year the following Lodges celebrate their 50th Anniversary and congratulations are extended to Western Lodge No. 20, Arcola Lodge No. 21, Britannia Lodge No. 23, Wainwright Lodge No. 24 and Lethbridge Lodge No. 25.

On the completion of fifty years in the sphere of Masonry, special mention should be made of Rosethorn Lodge No. 22, which was formed in 1903 and later amalgamated with Duck Lake Lodge No. 13, to be known as Rosethorn Duck Lake Lodge No. 13.

deep and lasting benefit from the experience. The second term need not be consecutive with the first, and to those Districts which have suitable material available in the persons of Past D.D.G.M.'s it is suggested that thought be given to encouraging them to take a second term.

There is much hard work attached to this office if properly filled, and a kindness is not always done by electing a Worshipful Member to the post. The health is not robust. It is suggested that if it is desired to honour a brother who has made a considerable contribution to the Craft, consideration be given to nominating him for the proposed 'Manual of Honour' the first of which it is expected will be presented at Grand Lodge as part of our Fiftieth Anniversary Celebration.

Our review of the reports of our D.D.G.M.'s and our personal observations indicate that a valuable service has been rendered by these Brethren during the year. With the concurrence of the Most Worshipful the Grand Master, your committee is pleased to recommend that the rank of P.D.D.G.M. be conferred on each of the following brethren, namely:

R.W. Bro. W. E. Cull	District No. 1

Reports of District Deputy Grand Masters

On motion of R.W. Bro. W. G. White and A. M. Brownstone, it was resolved that the following reports of the D.D.G.M.'s having been referred to the Committee on Condition of Masonry be taken as read and printed in the Proceedings.

DISTRICT No. 1

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.
M.W. Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 1.

Coomber, the oldest member a Masonic year, travelled from California for the occasion. M W Bro Partridge presented Rt Wor Bro Coomber with his 50-year gold button. I would also like to make special mention of three other 50-year Brethren. On June 16th, M W Bro Brown presented a 50-year button to Rt W Bro A F Cairns of Moffat Lodge and in Moffat at their November meeting, Rt Wor Bro Hall presented Bro E Barrer of Kamstine Lodge No. 1 with his 50-year button. On February 16th, I accompanied M W Bro Kinnison to Southern to present Rt W Bro Heade with his 50-year button. It is interesting to note that Rt W Bro Heade was the fourth Brother that was initiated under the Grand Jurisdiction of Saskatchewan to prove the distinction I trust that these Brethren will be spared to serve Masonry for many years.

In concluding this report I express my appreciation to the Brethren of District No. 1 for having given me the privilege and pleasure of serving them as D.D.G.M. It has been interesting and educational to me and I will long remember the kindness of the Brethren during my term in office and I am certain they will give the same loyal support to my successor W Bro McLaren.

Fraternally submitted,

W E. CUTT, D.D.G.M.

Most Wor Bro Robt. A. Tate, Grand Secretary answered many questions from the Brethren and also offered some helpful suggestions on how the Work might be improved.

In the interval between the Afternoon and Evening Sessions, the Brethren from the visiting Lodges were the guests of the Regina City Lodges at a Banquet arranged by the Regina Masonic Council.

be present at all the installations. From my attendance at these Meetings I found that there is considerable irregularity in the way in which the Installation Ceremony is being conducted and that the work of the four officers throughout the District I discussed the matter with M W Bro. Kuhn & Tate who was present & many of these are mistakes and I am happy to note from the Programme for the 1935 Year Meeting that action is being taken to correct these irregularities and provide instructions to the Brethren in the proper conducting of the Installation Ceremony.

I have enjoyed my time as District Deputy very much. It has been a wonderful experience and should like to thank the Brethren of District No. 2 who elected me. M of W Bro. H. E. Fairbridge Grand Master was on my appointment and a special word of thanks to the Grand Secretary for his assistance and guidance. The following table shows the results of the regression analysis for the dependent variable *Y* (in thousands of dollars) against the independent variable *X* (in thousands of dollars). The regression equation is $\hat{Y} = 1.2X + 0.5$. The coefficient of determination is $R^2 = 0.85$. The standard error of the estimate is $s_e = 0.3$. The t-statistic for the slope coefficient is $t = 4.5$, which is significant at the 0.05 level. The p-value for the slope coefficient is $p = 0.0001$. The F-statistic for the overall regression is $F = 20.25$, which is significant at the 0.05 level. The p-value for the F-statistic is $p = 0.0001$.

of the need for "working" at once: Masonry to make it flourish within the Lodges and in the District. This is resulting in a very commendable tendency toward a closer examination by officers and members of the progress and problems of their Lodges. There is an excellent degree of harmony among the Lodges and inter-communication among them is well established. To assist and promote contact among the Lodges a monthly newsletter "The Little Tracing Board", was developed during the year.

It has been a rare privilege and honor to serve District #1 as representative of the Grand Master. The Lodges as such and the Brethren, whether as officers or members, have done so much to give me a feeling of very real pride in the District. The kindly reception of Brethren everywhere, together with the ready cooperation of Lodge Officers and the general assistance and encouragement so helpfully given by M W Bro A H F Partridge, Grand Master, M W Bro Hobb, A Tate, Grand Secretary, R W Bro J H Coudington, Deputy Grand Master, V W Bro F A Langard, Grand Superintendent of Works, and W Bro A J Whitehouse, District Secretary, have made the year a most pleasant one in every way. To each and all I express my deepest gratitude. I am confident that my successor, W Bro E H Harner, will be accorded the same fine consideration, and to him I extend every good wish for a constructive and fruitful Masonic year.

M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 9.

The District Meeting was held in the Masonic Hall, Whitecourt, Sask., on Thursday, July 11th, 1934, with 62 members and visitors present and 9 of the 10 Lodges comprising the District represented.

An informal meeting of S D's, J W's, S W's, W M's and P M's, was opened at 2 p.m. with an attendance of 22. At this meeting both the M W the Grand Master and M W the Grand Secretary in their remarks, covered a wide range of subjects of particular interest to all Lodge officers, to assist them in the management and control of their Lodges and also to help create a real interest for the individual member.

Since my appointment as D.D.G.M. I have visited all the Lodges in the District and am happy to report that Masonry in District No. 9 is in a very healthy condition, with a wonderful spirit of friendship throughout the whole District. With the exception of one Lodge, members and officers are taking a keen interest in the work and Lodges are efficiently operated. Prospects for the future of Masonry in District No. 9 are very bright. I have stressed the importance of completing the (Historical) Register and have had the assurance of all Lodges that this will be brought up to date and the work completed in time for compiling, before the Jubilee date.

I wish to thank members of District No. 8 for the wonderful support given me on all my visits throughout the District, and make special mention of the degree to which our Lodge visiting has grown. That all my visits were so successful, was due to the manner in which members of neighboring Lodges turned out, and a special thanks to the members of Ashlar Lodge No. 8 who accompanied me on goodly numbers.

The past year as D.D.G.M. has been a wonderful and satisfying experience and my sincere thanks to the members of District No. 8 for having given me the opportunity of serving and to M.W. Bro. R. L. Partridge Grand Master for appointing me D.D.G.M. for the year 1954-55.

To my successor W. Bro. C. C. MacFarlane, I extend my congratulations and best wishes for a successful term as D.D.G.M. and can assure him that he will have wonderful co-operation from all the Lodges in the District.

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.
M.W. Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 10.

The District Fellowship Meeting was held in the Masonic Temple in Regina on July 21st 1954 with a good attendance present and every Lodge in the District represented.

The District Meeting was opened and the M.W. Grand Master, M.W. Grand Secretary and R.W. Bro. T. E. Luke, Grand Junior Warden, were received being introduced by W. Bro. J. J. Wiloughby. The distinguished Brethren were welcomed and Grand Honors given. Exemplification of work in F. & A. Degrees and closing exercises in M.M. F. & F. & A. Degrees were well done by selected Brethren from each Lodge in the District. A paper on Synthesis of the Approach to the Altar in the M.M. Degree was ably presented by Bro. M. G. Strellhoff of Canora Lodge.

Following the afternoon session the Brethren enjoyed a fine turkey dinner provided by the ladies of the Order of the Eastern Star.

During the evening session M.W. Bro. Robt. A. Tate gave an interesting talk on Masonic Humor and Story Telling. This was followed by an address by the Grand Master who spoke on Free Masonry and Youth. After the Grand Lodge Officers retired R.W. Bro. W. R. Nelson F.D.D.G.M. reviewed the condition of Masonry in the District for 1954-55. W. Bro. J. Morland of Kelowna Lodge No. 162 was selected as D.D.G.M. for the ensuing year subject to confirmation by the Grand Master.

During my term of office I have visited each Lodge in the District at least once and received a courteous welcome on each occasion. I have found a grand spirit of Fellowship among the Brethren throughout. With one exception all Lodges are doing work of high calibre and conforming to Grand Lodge requirements. The Lodge records are well kept. It is also gratifying to report that Yorkton Lodge No. 12 has selected a site and are about to erect a new Temple of their own.

The Travelling Square has been prepared and initiated by Yachton Lodge No. 17. It has been carried from Lodge to Lodge within the District. This stimulates inter lodge visitation and keeps the Brothers in touch with Masonic Research.

I have found that most of the Lodges have no Youth Commissions. I have endeavored to get them interested in Foremanship and Youth programs.

Only three of the nine Lodges in this District have any organized system of Masonic Study and Research. Lodge No. 46 has had one for the past three years. Meetings are held every second Thursday of the month when five to ten present papers on Masonic topics. Often films are shown. Inevitably discussion follows and the attendance at these meetings is very good. I am a firm believer in Masonic Study and have strenuously urged that all Lodges in District No. 11 do Masonic Study and Research groups. The more we do so, the regular and systematic of Masonry, the more benefit we will derive from the teachings of the science.

On Sept. 4th, 1964 I visited four Lodges No. 10, 16, 17 and 18. It was the night of the official visit of K. W. R. W. & W. to D. D. G. M. Dist. No. 11. A very pleasant evening was spent in his company.

In conclusion I must take this opportunity of thanking Grand Lodge and the Brethren of District No. 11 for giving me the privilege of serving them as D. D. G. M. and for the cordiality and kindness extended to me during my year of office. To my successor I extend my best wishes for an enjoyable and successful year.

To the M.W. the Grand Master Officers and Members

M.W. Grand Master and Brethren.

I beg to submit herewith my report as District Deputy Grand Master for District No. 11.

The District Fellowship Meeting was held in the Masonic Temple, Maple Creek on Monday July 13th, 1964. Five Visitors and 75 Members were in attendance. All the Lodges in our District were represented.

The M.W. Grand Master Brother R. F. Partridge favored us with an address on Youth and the M.W. Grand Secretary Brother Ross A. Tait delivered an address on Masonic Humor and Story Telling. Both addresses were inspiring and instructive and were very well received by the Brethren present.

I gratefully acknowledge the cooperation I received from the Lodges to make our District Meeting such a success and the officers and working officers put forth by the Grand Master and Grand Secretary in making guiding and instructing us.

I made an official visit to all the Lodges on their regular Lodge nights. I also made a number of unofficial visits. Most of the Lodges conducted degrees and generally the work was done accurately and impressively. The Lodges possess in this District are in good shape. Some are making improvements and are redecorating. The Lodge Temple is well on the way to completion and will be one of the finest in Saskatchewan.

Only a few Lodges have had any Youth activity during the past year. They all realize the advantages of Youth Nights and some are making plans for some programs in the near future.

Looking back to certain Lodges which have an extensive F search program, there is only the Masonic Research being done. Lectures in some Lodges are a good source and in some instances are kept going purely due to a few regulars using the same Lodge but I point out that there is a void of knowledge in the Grand Lodge. These things even in the very old ones.

The Lodges are now taking a very keen interest in their Historical Registers receiving and keeping them up to date.

At each meeting I was greeted with the utmost kindness and courtesy and I was given the latest information especially by the Secretaries and Master. The Brethren seemed to be a little in awe of my remarks that I made and was interested in furthering the aims of Freemasonry. It is to be hoped that all Lodges were inspired to greater Masonic action from my visit.

I would like to suggest that the Lodges give consideration to the advisability of reporting on their visitors the names of Grand Master, Grand Secretary and W.M. and also if possible a list of its own membership. This information should be of interest, especially to new Masons. I think that a number of Lodges do incorporate some of the above in their notices.

I wish to extend my thanks for the advice and assistance given me by the M.W. Grand Master and the M.W. Grand Secretary. I am grateful too, the District Secretary W. Bro. Homer Buckner for his willing assistance at all times and to the Brethren who accompanied me to make these long motor trips a pleasure to be remembered.

To Wm. Bro. Harry Dick, my successor, I extend my best wishes for a successful year. I know he will be served with the same kind Masonic consideration that was shown to me.

I beg to submit herewith my report as District Deputy Grand Master for District No. 12.

The District Meeting was held in the Eaton Masonic Temple on July 27th.

At 2 p.m. the W.M.s, P.M.s and Wardens met and received some excellent instruction from the Grand Secretary. At 2:40 p.m. the District Meeting was opened and the Grand Lodge Officers were introduced and escorted to the East.

The business of the meeting was then conducted, and Brother J. M. Gaudy of Rosetown Lodge gave a very interesting talk on "The Symbolism of Approaching the Altar in the Third Degree". At the conclusion of the meeting W. Bro. M. J. Owens of Estevan Lodge was selected for recommendation for appointment as the D.D.G.M. for the next term.

I derived a great deal of pleasure in visiting all the Lodges in my District. The extremely friendly manner of my reception will ever be remembered by me.

I found Masonry is a healthy condition. Many Lodges have and are improving their Lodge Temples and Victoria Lodge No. 82 opened their new Temple during the year. The young members and officers are doing up solid work and the older members continue to take a keen interest in the degree work in all Lodges in uniform which shows the information that is given at District Meetings is absorbed and made use of in the Lodges.

I stressed the importance of a Youth Committee in each Lodge to direct interest in the youth programme. District No. 12 had a very active Mason and one who took an active interest in directing youth work in the person of late Rt. Wor. Bro. W. McDonald of Kenetown Lodge.

I feel each Lodge should have an active Research Committee as the material that such a committee can give at meetings is of great value and I am sure that a better appreciation by the Brethren of our Ancient and Honorable Craft then together with its symbolic teachings would go a long way towards the making of better Masons, thereby resulting in stronger and more active Lodges.

In conclusion I wish to thank the members of Horchel Lodge No. 88 who not only invited me on many visits to their Lodge, and I wish to thank those who made it possible for me to serve as D.D.M. for District No. 12. My sincere appreciation to the Grand Lodge officers for the guidance they gave me in my term of office. To my evergreen Wor. Bro. M. T. Oliver I extend my best wishes and wish for him the same support that it has been my good fortune to receive.

I beg to submit herewith my report as District Deputy Grand Master for District No. 12.

The District Meeting of District No. 12 was held at Wilkie on June 24th 1956. The representation and attendance was excellent considering the inclement weather at that particular time. Some representatives drove in day and arrived after the meeting was closed. A composite report of this meeting is on file.

I found in most cases that Masonry is showing a very healthy growth. Most Lodges are taking in new and younger Masons who should prove a great asset to the Craft.

The traveling square presented by Wor. Bro. Hinchidge has elicited much interest in visiting between the various Lodges of the District.

I appear to be very much assisted from the members of Fratrus Lodge many of whom accompanied me on my official visits over the entire District. In my estimation, the fact that several members of my own Lodge attended with me on my official visits to the different Lodges contributed much more to Masonry than any prepared address that I might have made. I have found that when a group of seven visit is attended a Lodge it creates a much greater fraternal spirit than having only one or two visitors present, even though the visited Lodges might miss a lecture which would soon be forgotten but friendships made within Lodges are never lost.

To Wm J Anderson, District Deputy Grand Master elect of District No. 13, I would express my congratulations. To him I can only wish that he may receive as much pleasure and benefit from his election as I have experienced in the past year and I feel that under his capable leadership Masonry will derive much benefit during the coming year.

I beg to submit herewith my report as District Deputy Grand Master for District No. 14.

The Annual Meeting of District No. 14 was held in Assiniboia on July 18th, 1954.

An informal meeting was called by the D.D.G.M. at 2.00 p.m. and after all those present a Service Chapter retired, the Grand Master M W Bro R J Farbridge addressed the Brethren on the duties of a Worshipful Master and the standard of Degree work after which the Grand Lodge Officers retired.

The Hags were presented by the Brethren from Kaskela Lodge No. 200 after which the D.D.G.M. assisted by the Officers of St John's Lodge presided and opened the District Meeting at 1.00 p.m.

The M W and Master R J Farbridge and his Grand Lodge Officers were introduced by R W Bro A Graham of Kaskela Lodge No. 120 welcomed by the D.D.G.M. and escorted to the East.

The Officers of St John's Lodge exemplified parts of the second Degree and also the long service in the Degree under the direction of the Grand Secretary M W Bro Tate who congratulated them on the proficiency of their work.

A paper was read by R W Bro Johnson of Mustang Lodge No. 129 on "The Significance of the Approach to the Altar in the Master Mason's Degree" was read by M W Bro Tate in the absence of R Bro Johnson. This was very well received.

The meeting was opened by the D.D.G.M. and after quite a few were recognized by the Grand Secretary. At 5.00 p.m. we adjourned to resassemble at 7.00 p.m. when the M W Grand Master presented R W Bro McArthur with a D.D.G.M. Certificate and R W Bro Macquar with a P.D.D.G.M.'s suit of Regalia.

The M W Grand Master R J Farbridge and his Grand Secretary M W Bro McArthur each addressed the Brethren and their talks were very thought provoking and greatly appreciated by all those present. The Grand Lodge Officers then retired.

Of those nominated to be D.D.G.M. for 1955 M W Bro (Thos) Clark of Mustang Lodge No. 129 was selected subject to the approval of the Grand Master.

I visited all the Lodges in the District during the months of October and November and found them in a healthy condition. In some cases the attendance was small due to the interests of harvest. However I found the work quite uniform throughout the District and the Degree work done in a dignified manner.

I stressed the importance of getting the Historical Registers up to date at all meetings and having a summary of it sent in to Grand Lodge not later than June of this year. I also stressed the importance of youth activities by different Lodges and social evenings.

Several of the Lodges held a Youth Night for the youth of their own district, and the youth committees of the whole District are giving me their full support in arranging a Youth Rally to be held in Assiniboia early in April. If it compares with the one held last year under the leadership of R W Bro. Spencer it will be a great success.

The Brethren of Meynonne Lodge No. 128 asked and received permission from the Grand Master to move their Charter from Meynonne to Melina and I believe this to be in the best interests of Masonry.

The Brethren of Rockglen Lodge No. 208 held their first meeting in their new Lodge Room on the night that I made my official visit. At this meeting they presented me with the gavel I used at the first meeting held by this Lodge.

Several of the members of different Lodges in this District were present at the dedication of a new Masonic Temple at Ophers, Montana. The value of such visits between our Sister Jurisdictions cannot be over estimated.

It has been recommended in the past that a D.D.G.M. serve a two-year term. I would however, suggest that the D.D.G.M. elect visit as many of the Lodges in his District as possible with the D.D.G.M. and this no doubt would prepare him for his duties when he takes office in place of serving a second term.

I wish to take this opportunity of thanking the Grand Master for the privilege of serving as D.D.G.M. of District 14 and the Grand Secretary for his advice and help during my term of office and also all the members of this District for their kindness to me, knowing they will extend the same courtesies to my successor, W Bro. Clark.

I beg to submit herewith my report as District Deputy Grand Master for District No. 15.

District No. 15 is composed of eight Lodges with a total membership of 485. The 35th Annual district meeting was held in Wadena on Tuesday, July 6th 1964, with a total attendance of 159.

A meeting of the senior officers of the various Lodges was opened at 2 p.m. and those assembled were addressed briefly and informally by M W Bro. R. E. Partridge and M W Bro. Robt. A. Tate who gave instruction to the Brethren.

The District Meeting opened at 2:30 p.m. The Grand Lodge officers, M W Bro. R. E. Partridge, Grand Master, M W Bro. Robt. A. Tate, Grand Secretary and V W Bro. E. S. Smith, Grand Steward, were introduced by R W Bro. T. Serven of Wadena Lodge No. 87, and accorded the Grand Honors.

The officers of Wadena Lodge No. 87 exemplified parts of the Fellow Craft degree. The exemplification of the closing of the Lodge was done by the officers of Youth Lodge No. 79. Discussion followed with questions being answered by M W Bro. Earl A. Tate.

Bro. J. C. Gault of Pines Lodge No. 111 gave a short paper on "The Symbolism of the Approach to the Altar in the M M Degree".

An open forum was held under the direction of our Grand Secretary, which featured numerous questions and answers as to correct procedure.

At intermission a delightful banquet was served by members of the Wadena Chapter O E S.

The evening was on being opened the Grand Master, M W Bro. Partridge made the following presentations: Certificate of Grand Steward to A W Bro. J. W. Gault of Pine Valley Lodge No. 302, certificate of P D M to M W Bro. W. C. Gault of Pines Lodge No. 111 and the apron of P D M to M W Bro. A. Earl A. Tate of Wadena Lodge No. 84. The presented Bro. Gault was then received by singing addresses by M W Bro. Earl A. Tate who spoke on "Master, Master and Story Telling" and M W Bro. R. F. Partridge who spoke on "You're Architects". A W Bro. H. H. McLaughlin was selected for re-nomination as District Deputy of District No. 14 for the following year.

An office visit has been made to all Lodges in the District and several fraternal visits have also been made to most Lodges. During these visits I have made many fine fraternal friends whose friendship I shall cherish during the years to come.

The splendid co-operation of all district officers and members of the various Lodges was highlighted at the time of the District Youth Rally held in Wynyard on September 29th. It was this fine spirit of co-operation which made the Youth Rally an outstanding event.

It is my belief that by furthering our Youth Program we can hold the interest of our members and possibly gain new members who would like to associate themselves with us because of our Youth activities.

I would like to express my sincere thanks to the officers and members of all the Lodges in our district for the warm and courteous welcome extended to me on every occasion. The kind words of encouragement and friendly advice given to me by the Most Worshipful Grand Master, Bro. R. F. Partridge and the Grand Secretary, M W Bro. Earl A. Tate were deeply appreciated and helped immensely to make my year of office as District Deputy an experience which will never be forgotten.

M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 14.

The Fraternal Spirit throughout the District was most noticeable. My companions and myself were made very welcome and shown every respect and consideration. I feel that special mention should be made of the splendid work being done by Secretaries. Records are being neatly kept and an agenda for meeting well in hand.

The Degree work, however, was only fair although there were a few exceptions when the work was smartly and efficiently carried out.

Three reasons might be given for only average results:

1. Most of the Lodges had few candidates in 1934.
2. Few of the Lodges had a Standing Instruction Committee of P.M.s for candidates and young Officers work was, therefore, mechanical and defective.
3. The candidates had been left to find out for themselves what it was all about.

As a recommendation for improvement and encouragement would it be possible and fair to hold a Central School of Instruction for Initiates and young Officers with the Local Committee of Instruction from the various Lodges? Grand Lodge could supply one or two experienced Craftsmen with Instruction Committees assisting. I believe it would create interest, qualify young Officers and increase attendance.

I might state I was disappointed generally with the attendance. It seems to require very little to attract interest although the Grand Secretary, who writes much fine material in "The Training Board" on the subject, organizes and plans to make meetings most of interest should include guest speakers, Instruction Committees to watch debates, queries and such things, etc. All through the District I met very capable young men assuming responsible offices and I feel every effort should be made to equip them with an appreciation of the duties of their offices.

I found different Lodges taking a keen interest in improving Lodge property mostly by installing good full basements with the latest heating equipment thus providing banquet space, preparation rooms for candidates, Club Room utilized for Instruction Classes, etc. Thus, I feel it is most worthy undertaking and deserving of commendation.

I beg to submit herewith my report as District Deputy Grand Master for District No. 17.

The 27th Annual Meeting of District No. 17 was held at Conquest on Friday, July 28th, 1934, all Lodges in the District being represented. The meeting was opened at 7:30 p.m. by the D.D.G.M. assisted by the officers of Dunston Lodge No. 121. The Grand Master, M.W. Bro. Partridge, Grand Secretary, M.W. Bro. Robt. A. Tate, Past Grand Master, M.W. Bro. J. L. Carter, and Grand Pursuivant, V.W. Bro. R. Pearson, were introduced by R.W. Bro. J. E. Bart, F.D.D.G.M. of Sovereign Lodge No. 182.

Following the reading of the Minutes by the District Secretary, M W Bro Tate requested that the order of business be changed to allow the M W Grand Master to deliver his address in the afternoon rather than in the evening. The meeting agreed to the change and the balance of the afternoon session was given to exemptions by the Dintan Lodge officers.

After being served a wonderful dinner by the Ladies of the Eastern Star the evening session opened at 7 p.m. The Grand Secretary M W Bro Tate then gave an address on "Masonic Humor and Story Telling" which was as always very well received.

During my term I officially visited all Lodges in the District once, some I visited several times unofficially. At all times I was given a most hearty welcome and I can say up to a majority of Lodges in the District are definitely improving some Lodges are do with a little obstruction, but as I pointed out this can be had by a little better attendance by the Officers at District Meetings.

In closing I wish to thank the Brethren of District No. 17 for giving me the privilege of serving them as D.D.G.M. the Grand Master for confirming my appointment the Grand Secretary for all the help he has given me and the Brethren of Dintan Lodge and Sovereign Lodge who so willingly accompanied me on my official visits. Believe me this has been a privilege I will not soon forget and one that too few are privileged to enjoy.

I would like to ask the same co-operation for my successor, W Bro. George Kesley.

I beg to submit herewith my report as District Deputy Grand Master for District No. 18.

The second Annual Meeting of District No. 18 was held in Tisdale July 31st 1931, with representatives from every Lodge in the District present. The afternoon session was opened at 2:30 with Officers of Star City Lodge No. 152 occupying the chairs. The Grand Lodge Officers were introduced and given Grand Honors. The afternoon session was then devoted to excommunication. The conducting of a candidate in the Second Degree was accomplished in a very efficient manner by the Officers of Hudson Bay Lodge No. 200 under the direction of our Grand Secretary. The closing exercises were exemplified by the Officers of Arborfield Lodge No. 206. A very fine paper was given by V W Bro Starkey of Nipawin Lodge No. 183. The discussion period was lively and full of interest for everyone.

After a very fine supper provided by the members of the Eastern Star the Meeting resumed and a great deal of satisfaction and enjoyment was derived by the Brethren from the very fine addresses which were given by the Grand Master and the Grand Secretary. The Grand Master then presented a P.D.G.M.'s Apron to R W Bro Hall, P.D.G.M. for District No. 18.

Following the retirement of the Grand Lodge Officers, the evening was taken up with District business. A W Bro Starkey of Nipawin Lodge No. 183 was selected for recommendation to the Grand Master in June 1963.

As I did M. for District No. 18 I found the experience very enjoyable and gratifying. During my visit I found the work very uniform and of a high standard above all I was impressed with the friendly spirit that prevailed in all Lodges. The Secretaries were most co-operative and efficient and have their records in excellent condition. Visiting is carried on extensively within the District which is a good healthy condition.

The membership in the District numbers 314 of which unfortunately too large a percentage are non-resident. I feel that the District is making good progress in the youth movement and am hopeful of good results in this most important work.

It has been a great privilege to represent the Grand Master in District No. 18 and I wish to express my appreciation to the Officers and Brethren for the honor of serving them, and I know the same kind consideration will be given to my successor A W Bro Starkey.

DISTRICT No. 19

To the M W the Grand Master Officers and Members

M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 19.

I have studied the statistical reports of this District and find that in the past five years the seven lodges which now make up this District have increased a membership by a total of 24 members. The attendance has increased from 153 to 177 for each meeting. This increase is magnificent and unless Masonry through its good works can stimulate the interest of men on the outside we may in the future see a definite decline in our total membership. In the next five to 10 years we may experience some difficulty in maintaining our membership. This district is primarily an agricultural area in which the population will for the most part remain steady. I cannot foresee any increase in membership in the near future.

The financial position of the majority of the Lodges is sound. Only one lodge has made a definite and almost remarkable increase in their total assets in the past five years. It would have been better if the various lodges had budgeted for a surplus during the last few prosperous years. It is my opinion that the yearly dues should be set at a minimum of \$10.00 and the same for non-resident members. Non-resident members should be encouraged to take out their debts and join the Lodges in their new location. They could then take an active part in lodge affairs rather than be dormant under the protection of reduced dues.

There is room for a great deal of improvement in the bringing up to date and the completion of the Historical Registers in the majority of the Lodges. The writing of history does not seem to appeal to many and is consequently neglected.

to express my thanks to the brethren of this District for the confidence they expressed in selecting me for this office I hope that next year the added experience gained will give me a better understanding of my responsibilities to the Craft My association with the Grand Lodge Officers has been a cordial and happy experience I hope that it shall be my good fortune to enjoy fellowship with many of you in the coming year

DISTRICT No 20

To the M.W. the Grand Master Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.
M.W. Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master for District No. 20

The first Meeting of District No 20 was held in the Masonic Temple at Moosestone Friday, August 13th, 1954, with eight of the nine Lodges in the District represented.

The Grand Lodge Officers in attendance were the Grand Master, M.W. Bro. Partridge, the Grand Secretary M.W. Bro. Tate and the Grand Senior Warden, R.W. Bro. Hodaman The distinguished guests were introduced by R.W. Bro. Pedersen, escorted to the East and given the Grand Honors

The regular Officers of Moosestone Lodge No 164 under the direction of War Bro. Schaefer exemplified the work as requested by Grand Lodge Questions were invited by M.W. Bro. Tate and an interesting discussion followed W. Bro. Saxton gave a paper on "The History of Freemasonry in Saskatchewan" which was well received.

At the evening session addresses were given by the Grand Master and the Grand Secretary and were greatly appreciated by the Brethren.

W. Bro. Lewis was selected for recommendation for appointment as D.D.G.M. for the year 1955-56

As D.D.G.M. I visited every Lodge twice All of the nine Lodges are fortunate in having the services of very capable and competent Secretaries I wish to thank them for their assistance and co-operation.

Every Lodge in the District is in good financial condition with all but one owning their Temple I found Masonry in District No 20 to be in a very satisfactory condition with good fellowship prevailing in every Lodge I was particularly impressed by the young members holding Office in many Lodges I think it forecasts a good future for Masonry in the District.

Before concluding this report I would like to express my appreciation to the Grand Master for my appointment as D.D.G.M. for District No 20 It has been a most gratifying year

For my successor, W. Bro. Lewis, I would like to ask the same kindly co-operation that I received.

Fraternally submitted,

J N PEDERSEN, D.D.G.M

DISTRICT No. 21

To the M W Bro Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A F & A M
M W Grand Master and Brethren

I beg to submit herewith my report as District Deputy Grand Master of District No. 21.

The District Meeting was held in the Masonic Temple at Edmonton on Thursday August 22nd, 1962, with M W Bro R. E. Partridge M W Bro Rabi A. Tate and other Grand Lodge Officers in attendance.

A Board of Installed Masters was opened at 1:00 p.m. M W Bro Rabi A. Tate on behalf of the Board of Institutions gave instructions to the Brethren and M W Bro R. E. Partridge Grand Master gave an inspiring address to the officers of the various Lodges present.

The District Meeting was officially opened at 2:30 p.m. with M W Bro H. Edson in the chair. The Grand Lodge Officers were introduced and accorded grand honors.

The M W and officers of Institution Lodge No. 13 exemplified the conduct of a candidate to the Wardens for examination at the F. I. degree and I read the lodge in the M W F. I. and F. A. degrees. W Bro W. Blackmore gave an excellent paper on the 1962 Lodge Development Fund. Three lodges were not represented at this meeting.

At the evening session M W Bro Partridge and M W Bro Tate delivered very interesting addresses which were much appreciated by those present.

W Bro W. Blackmore of Simpson Lodge No. 121 Simpson, was recommended as I. D. M. for the coming year.

As I. D. M. I officially visited all nine Lodges in the District and I am pleased to report that not only was I thoroughly received, but that all Lodges with the exception of one were favorable to the formation and to be included in District No. 21. Apparently there had been some dissatisfaction prior to the formation of District No. 21.

I found that some of the P. I. D. M.s of the portions of the District that were included to form District No. 21 had been lax in their office duties which made it difficult to correct and bring the records of some of the lodges up to date. In which I found that the Lodges were lacking in record and good to which I provided amongst the members. As in the earlier work this was relatively done a small Lodge has I did find Lodges that were not carrying out the duty of a constitutional master and this was mainly due to two reasons. First the officers and members had not been attending District Meetings several some of the P. I. D. M.s in some of the Lodges who have not kept up on the work are acting in the capacity of officers with the result that the Masters in these lodges are being misguided.

There must be given to the Lodge secretaries for faithfully carrying out their duties, but in some cases the historical register was not up to date.

I am pleased to report that over 10% of the Lodges in this District own their own Temples and all Lodges are in good financial condition but over 10% of the membership were delinquent in dues. An effort must be made to overcome this.

There seems to be a tendency for some of the P.M.s to be side benchers rather than take an active part in Lodge work. I found that better degree work is being done in those Lodges where the P.M.s work and take an active part conjointly with the officers. More time could be devoted to Masonic study and research.

I would like to take this opportunity to express my deepest thanks to M W Bro. Partridge, Grand Master, M W Bro Tate, Grand Secretary and other Grand Lodge Officers for appointing me the first D.D.G.M. of District No 21. I also wish to thank all those who so kindly assisted me especially R W Bro. M Herman for his skilful assistance and for accompanying me on my official visits.

My year in office will long be remembered for the pleasant associations and friendships formed.

To my successor, W Bro. W Blackmore, I extend best wishes for an enjoyable year.

Fraternally submitted,

H W G. EDOM, D.D.G.M.

Selection D.D.G.M.

The Most Worshipful the Grand Master announced that it would be necessary for the representatives of the Lodges in District No. 21, present at this Commemoration, to meet during the noon recess and select a Brother whom they wished to recommend for appointment as D.D.G.M. of their District.

The hour having arrived for adjournment, the Grand Master called the Craft from labor to refreshment.

First Day—Afternoon Session

Grand Lodge resumed labor at 1.30 p.m., M W Bro. R. B. Partridge, Grand Master, on the Throne, Grand Officers, Members and Representatives present.

Reception of Grand Representatives

The Grand Representatives of Sister Grand Jurisdictions near the Grand Lodge of Saskatchewan assembled in the approaches to Grand Lodge.

The Representatives of the Grand Lodges in the British Commonwealth of Nations were escorted into Grand Lodge by the Grand Director of Ceremonies, V W Bro. L. W. Gray. The Brethren joined in singing "Land of Hope and Glory."

The Representatives of the Grand Lodges in the United States were escorted into Grand Lodge by the Grand Director of Ceremonies. The Brethren joined in singing "The Star Spangled Banner."

if that motion is carried unanimously, which of course the Secretary should duly record, then the application may be withdrawn. An application should never be withdrawn informally. In any such case the applicant, as at one time applies to another Lodge and was rightfully that he has never been rejected. Even the regular withdrawal is brought with some danger in this respect, but the Constitution provides for it. The prescribed procedure is followed.

The motion for amendment of the Constitution proposed by Most Worshipful Brother Douglas Fraser to change "Foreign Correspondence" to "Internal Correspondence" we had to be in order for presentation to Grand Lodge.

All of which is fraternally submitted

Report of Committee on Necrology

M. W. Bro. F. H. Auld presented the report of the Committee on Necrology which, on motion of M. W. Bro. F. H. Auld and R. W. Bro. J. T. Tomlinson, was received and adopted as follows:

To the M. W. the Grand Lodge of Saskatchewan A. F. & A. M. Brothers:

The joy which all of us feel in meeting our Master Brethren in this Forty-Ninth Annual Commemoration of Grand Lodge is tempered by the knowledge that when we met a year ago, some 293 members of 28 Lodges in this Great Empire had been called to rest from their mortal abode. This figure is taken from the last two Semi-Annual Reports of Grand Lodge and they do not include the names of three Past Grand Masters and three Past Chiefs Deputies of the Grand Master. These were M. W. Brothers William Herbert Moor, John Irving Cook and Walter Leysington Cook, as well as R. W. Brothers John Patrick Gourlay, William Porter and Robert Ferguson Swinton.

M. W. Brother William Herbert Moor was initiated, passed and raised in Lower Lodge No. 75, Winnipeg, and in 1924 affiliated with Saskatchewan Lodge No. 16, Saskatoon, which he served as Worshipful Master in 1931. He was appointed Director of Communications of Grand Lodge in 1929, served as F. L. L. M. of District No. 1 in 1942 and was made a member of the Grand Master's Committee on Freemasonry and Youth created in that year. He was elected Grand Master Warden in 1946, Grand Senior Warden in 1947, Deputy Grand Master in 1948 and Grand Master in 1949. Elected to the Board of Governors by proxy in 1943, M. W. Brother Moor served on many of the Standing Committees of the Board including Foreign Correspondence, Master's Honor's Committee and Appeals, Masters Relief and Charity, Councils of Masters and the Committee on Necrology of which he was Chairman for three consecutive years and a member at the time of his death earlier in this month. In 1947 he was elected to the Board of Trustees of the Benevolent Fund where he served for three years. He served as one of the Grand Master's Committee on Masonic Education. He probably made his finest contribution as a member of the committee on Freemasonry and Youth when his training as a teacher of Youth in the Y. M. C. A. of which he was General Secretary for many years in Saskatoon, earnestly qualified him to interest the brethren of our Craft in the Youth of their respective communities. His death at Saskatoon on June 2nd came as a shock to his many friends. The Burial Service conducted by Grand Lodge officers under the Charter of Saskatchewan Lodge was held on June 8th, with interment in Woodlawn Cemetery.

And so, my Brethren, let us pause where we stand at the sign of Fidelity in tribute to our fraternal dead from whom we have so recently been separated for a time. We miss their cheerful smile and friendly hand-clasp, but we treasure their memory in our hearts, and in the light of their example—we pray that our service to humanity, both in and out of Freemasonry, may equal their finest efforts.

It is the recommendation of your Committee on Necrology that Memorial Pages, complete in detail, be included in the Proceedings.

Report of Board of Trustees of the Benevolent, Benefit and Other Funds

M.W. Bro. Fred C. Hayes presented the following report of the Board of Trustees of the Benevolent, Benefit and Other Funds.

To the M.W. the Grand Lodge of Saskatchewan: A.F. & A.M.

Brethren:

On June 17th, 1954, following the close of the Forty-Eighth Annual Communication of our Grand Lodge, at Saskatoon, the organization meeting of the Board was held.

The following named Officers were elected:

President	M.W. Bro. Fred C. Hayes.
Vice-President	M.W. Bro. S. J. A. Branson.
Secretary	M.W. Bro. Robt. A. Tate.

7 The said corporation may from time to time make rules and regulations provided always that such rules or by-laws are not contrary to the act or to the laws of the province.

Your Committee is not satisfied that the money proposed to be provided by the Trust would really belong to this Grand Lodge or that the purpose of the bequest would be exclusively applied and appropriated to the purpose of the said corporation and to no other object, existing or to be established whatever.

The Brother who made the proposal requested also that the actual administration of the Trust be placed in the hands of the Trustees of the Benevolent Fund, assisted by such persons and/or Committees, either standing or special of Grand Lodge, or the Grand Master, as they may direct.

The proposed donor requested that his offer be submitted to Grand Lodge at the Communication for formal approval and acceptance, whereupon he would provide the said fund.

For the reasons hereinafore set out the Board of Trustees, notwithstanding its admission of the object which the good Brother has in view is unanimous of the opinion that the Trust should not be accepted and so recommends to Grand Lodge.

On June 14th, 1955, the Board met to consider matters arising after the meeting of March 20th, 1955, and to settle the approved act for the current Masonic year.

Fraternally submitted,

FRED C. HAYES, President

It was moved by M W Bro. Fred C. Hayes and S. J. A. Branson, that the report be received and adopted.

M W Bro. D. Fraser and J. O. Clarke moved an amendment that the report be amended by deleting the portion thereof relating to accept the Trust to provide an annual bursary to the winner of an oratorical contest and substitute therefor

The Trustees recommend that Grand Lodge accept with gratitude, the gift offered by Wor Bro. S. O. Robinson in accordance with the proposed Trust."

On the amendment being put it was carried.

The report, as amended, was received and adopted.

Report of Committee on The Tracing Board

M. W. Bro. Bro. Robt. A. Tate, on behalf of R. W. Bro. George E. Rolins (Editor), presented the report of the Editorial Committee on The Tracing Board, which on motion of M. W. Bro. Robt. A. Tate and R. W. Bro. L. H. Bergstrom, was received and adopted as follows:

To the M. W. the Grand Lodge of Sammatechewan, A. F. & A. M.
Brethren

The Editorial Committee of The Tracing Board begs to submit its Thirtieth Annual Report,

With the approach of the Fiftyeth Anniversary Celebration of the Grand Lodge of Saskatchewan The Training Bureau should prove its value as an important monthly link to keep all the Brethren informed of this important event. Historical highlights are being featured, announcements of projects are being given, and from time to time reminders will appear of the ways in which every brother in every Lodge can play his part.

In his visit to England last year the Editor was happy to have an interview with R W Bro. Sir Sidney White K.V.C.O. the Grand Secretary of the United Grand Lodge of England. As reported in the January issue in the editorial we were proud when he revealed his familiarity with our monthly publication.

We desire to express our sincere thanks to M W Bro Douglas Fraser for writing the fine editorials in the September, October and November issues last year, when we were seriously ill in England. This was the first time since the publication of our paper in 1943 that the Editor was unable to write his monthly message.

One of the features through the years has been the regular appearance every month of a study on some aspect of Masonic Education. Special tribute should be paid to W Bro. J. E. Campbell, who for many years has been chairman of the Committee on Masonic Education. He has personally contributed many of the studies during the years, as a glance over the one hundred and forty-eight issues published will reveal.

The important part played by M W Bro Robt A Tate, the Grand Secretary is gratefully recognized. Every page bears witness to his work. In addition to his regular monthly columns, the assembly of the materials, the supervision of the distribution and other duties are performed by him.

To all the members of the Editorial Committee and to others who from time to time make contributions to our paper we extend thanks. There is much that each Lodge and every member can do to increase the effective mission that can be accomplished by THE TRAINING BUREAU throughout the Grand Jurisdiction.

Respectfully submitted,

GEORGE E. ROBINS, Editor

Report of Committee on Fraternal Correspondence and Relations

M W Bro Douglas Fraser presented the report of the Committee on Fraternal Correspondence and Relations. It was moved by M W Bro Douglas Fraser and R W Bro A. Crookes that the Report of the Committee on Fraternal Correspondence and Relations be received and together with the Review of the Proceedings of Sister Grand Jurisdictions, be printed in the Proceedings.

And that in the interests of more unified fraternal recognition by Grand Lodges throughout Canada, it is recommended that the Chairman of our Committee on Fraternal Relations, be a member of the Saskatchewan delegation to each All-Canada Biennial Conference.

And that the Report of said Committee on "Applications for Recognition" be received and adopted.

7. Norway: Grand master Masonry is recognized by England, Ireland, Scotland and most of the G. Lodges of the U. S. A. and Canada. We are in amity with Sweden, Denmark and Iceland but for some reason are not with Norway. This oversight we think should be remedied, if possible, without delay. On the basis of courtesy the duty to make the overture is on us.

We therefore recommend that request for recognition and exchange of representation be submitted to the Grand Lodge of Norway.

To sum up, the committee recommended the following action by Grand Lodge as to applications for recognition.

1. Refuse: Philippians Republic and Serenissima (Italy)
2. Deferred: United Grand Lodge of Germany
3. Filed and treated: Bahia (Brazil), Pinar (Brazil), El Pinar (Mexico), Tamaulipas (Mexico), Grand Orient (Italy) and Vienna (Austria).

We further recommend application for Recognition and exchange of Representatives with the Grand Lodge of Norway.

Fraternally submitted,
IRVING FRASER, P. G. M., Chairman

Report of Credential Committee

RW Bro. A. Wilson presented the report of the Credential Committee which, on motion of RW Bro. A. Wilson and War Bro J F Kerr, was received and adopted as follows:

To the M W the Grand Lodge of Saskatchewan, A F & A M Brethren

Before presenting the report of your Credential Committee, may I take just a moment to pay tribute to our Former Grand Registrar and Chairman of the Committee, ARTHUR STELLN PIPES, who passed to the Grand Lodge above since our last Communication, and with whom the members of this Committee have had the privilege of working the past several years.

As he was affectionately called by all who knew him, was a true and loving husband and father, an outstanding citizen and an indefatigable Masonic worker.

We, the members of your Credential Committee, have sorely missed his kindly advice and guidance in performing our duties, and we know that all of the Brethren have missed his bright and cheery smile and warm handshake.

Your Credential Committee have pleasure in presenting the following report to the Forty-Ninth Annual Communication of Grand Lodge.

There are two hundred and five (205) Lodges on the register, of which fourteen (14) have the Master and both Wardens in attendance. There are seventy (70) Lodges not represented. There are seventy-nine (79) Worshipful Masters in attendance and eighty-three (83) Wardens, with two hundred and six (206) Past Masters in attendance. A total of three hundred and sixty-eight (368) representatives, carrying a vote of five hundred and sixty-four (564).

This registration shows a decrease in the number of Lodges not represented, with a corresponding increase in the total vote from last year.

We hear much about the conservation of the wild life and of our forests. Let our theme during our next year be "Conservation of Youth."

Our most particular theme, and a theme which is, perhaps, the highlight of the year, The Golden Jubilee Freemasonry and Youth Endowment Fund. In its infancy with but a start of ten years ago, our Grand Master caused this Fund to be established. We now have 500 Freemasons and Youth Committees contributing to it, together with the assistance of the Master of their Lodge. They assume the responsibility for doing up some of the money raised to be sent to the Grand Secretary's Office for deposit to the Golden Jubilee Freemasonry and Youth Endowment Fund. It would be fitting in your support we should decide to do more, much more, for the conservation of our youth.

Our Golden Jubilee Freemasonry and Youth Endowment Fund is being raised for the purpose of

1. Developing regional Group Youth Rallies
2. Providing quarters for local Youth Nights
3. Raising such sums as far as it will help the youth of the Province
4. Generally expanding the work that the Freemasonry and Youth Committee are endeavouring to carry out

The Committee will be happy to give consideration to any suggestion that may be put to develop our youth into good citizens.

In closing may I be on behalf of our Committee pay tribute to the late R.W. Bro Wally McDougall who passed away during the year. Brother McDougall was a most valuable and active member of this Committee for many years. His advice and help were many times of great assistance in promoting the activities of the Freemasonry and Youth Committee.

Respectfully and fraternally submitted on behalf of the Committee

R. MAYBON, Chairman

Report of Board of Custodians

M.W. Bro N. R. Craig presented the report of the Board of Custodians which on motion of M.W. Bro N. R. Craig and D. Fraser was received and adopted as follows:

To the M.W. the Grand Lodge of Saskatchewan, A.F. & A.M. Brethren:

The Custodians of The Work beg to report as follows:

The only matter that came before the Board at this Annual Communication is a suggestion by District No. 1 with respect to a change in the procedure when Candidates are presented by the Deacons to the J.W. and S.W. to prove that they are in possession of the necessary knowledge pertaining to the various Degrees. This suggestion is confined to the procedure in passing the W. Master on the journey to the J.W. and S.W. I believe the majority of the Board accepted the suggestion with sympathetic consideration, but all

were agreed that the matter can be properly deferred to the next Annual Communication for reasons which will be explained to the twenty-one districts at the ensuing District Meetings. So we feel that no further explanation is needed in this present report. We assure District No. 5 that the Board will give its most careful consideration to its suggestion and commend the District for the clear and intelligent presentation of its suggestion. The motion unanimously passed at the meeting of the Board held on the 24th day of June, A.D. 1935, is as follows:

On motion of M.W. Bros. F. C. Hayra and F. C. Wilson, it was resolved that the suggestion submitted by District No. 5 be deferred until the next meeting of the Board of Custodians and that the membership, in the interval, give careful study to the matter and further that the Grand Secretary ascertain the feeling of the various Lodges throughout the Jurisdiction, on the occasion of the 1935 District Meetings.

Fraternally submitted,

N. R. CRAIG, Chairman.

Report of Committee on Printing and Supplies

V.W. Bro. H. W. Nichol presented the report of the Committee on Printing and Supplies, which, on motion of V.W. Bro. H. W. Nichol and M.W. Bro. J. O. Clarke, was received and adopted as follows:

To the M.W. The Grand Lodge of Saskatchewan, A.F. & A.M. Brethren:

Your Committee reports with deep regret the passing of one of its members to the Grand Lodge above in the person of R.W. Bro. A. S. Pipes. Bro. Pipes truly gave his Masonry and gave constant aid of his time to the Craft both in his own Lodge and to this Grand Lodge.

Your Committee authorized the purchase of printing and supplies as required. Nothing of unusual expense required the attention of the Committee.

Tenders were received from three firms, two outside the Province and one in Saskatchewan, for the printing of the 1935 Grand Lodge Proceedings. After due consideration to quality of printing and material the Tender was awarded to the lowest bidder.

Fraternally submitted,

H. W. NICHOL, Chairman.

Report of Committee on Grievances and Appeals

M.W. Bro. Fred C. Wilson presented the report of the Committee on Grievances and Appeals, which, on Motion of M.W. Bros. Fred C. Wilson and N. R. Craig, was received and adopted as follows:

To the M.W. The Grand Lodge of Saskatchewan, A.F. & A.M. Brethren:

For the fourth year in succession, your Committee on Grievances and Appeals has the pleasant duty in reporting that no complaints or appeals have been brought to its attention during the past Masonic year.

Since our last Annual Commemoration, M W Bro Walter L Clark has been called to higher service. Brother Clark was a member of this Committee and while fitting reference may be made to his passing by the Committee on Nominations, we wish to record his death and pay tribute to the services rendered by him as a member of this Committee on which he served for several years as Chairman.

Report of Committee on Library

R W Bro M Herman presented the report of the Committee on Library which, on motion of R W Bro M Herman and M W Bro F C Wilson, was received and adopted as follows:

To the M W of the Grand Lodge of Massachusetts: A B & A M Brethren:

We beg to report that the Proceedings and published periodicals received the past year have been placed on the shelves and are well taken care of.

Once again, we call attention to the following:

- (a) These periodicals and Proceedings from our fraternal jurisdictions in other parts of the world, as has a wealth of Masonic information, but are not used to the extent that they should be.
- (b) As the years run by it is becoming urgent to have larger quarters to house the periodicals, proceedings, bulletins, historical relics, jewels, etc.
- (c) Your committee is of the opinion that more reference books should be made available for Masonic students.
We are divided together to teach, to inspire, and to stimulate.
We must not lose sight of the fact that we teach a great system of morals.
We must seek to inspire lofty ideas.
We must create a noble and majestic action.

There can be no complete or adequate reference library of reference books that is if informs the Masonic student why Masonry has attracted and still attracts men of all walks of life to her portals. We learn from the past and the present inquiries and open the doors to the future.

We therefore urge again upon the Executive Committee to give serious consideration to set aside a sum each year for the Grand Lodge Library Committee to buy books of Masonic interest and adequate reference books suitable for our Library.

We are pleased to acknowledge and thank W M Bro T C Wilson, a Past Master of Chicago Lodge No. 28 of Freemasons Massachusetts, for his generous donation of a book entitled, *Jacobus and Regius or An Antient Key to the Order of Free Masonry, Both Ancient and Modern*, published in 1795 in London, England.

Your Chairman, R W Bro M Herman, has donated to the Grand Lodge Library a book, *The Life of Pythagoras*, by Nicomachus Nostrius Presbyterius of the Order of the Monks of St. Augustine, printed in 1546 in Rome, together with the English translation from the Latin. This book came from the Valerius Library.

We gratefully acknowledge to N W M P Lodge No. 1, Regius, the presentation of a case that houses the Masonic Library and would like to extend our thanks to the New York Masonic Philanthropic Society for their presentation of Masonic literature and first day covers to the Masonic Grand Lodge Library. Also to W Bro R Mason, of Rochester Lodge No. 1 for the loan of a 15th century *Crusade Award*.

Report of Special Committee on Masonic Districts

M. W. Bro. F. L. Wilson presented the report of the Special Committee on Masonic Districts which, on motion of M. W. Bro. F. L. Wilson, and B. J. A. Hodges, was received and adopted as follows:

To the M. W. the Grand Lodge of South Carolina, A. E. & A. M. Brothers:

The report of the Special Committee on Masonic Districts approved by Grand Lodge one year ago, recommended that further study should be given to the results of the District Inspectors on the western side of the Province.

the Districts concerned being Nos. 7, 11, 12, 13 and 17. The M.W. the Grand Master appointed the following Committee to study the situation and report to Grand Lodge:

M.W. Bro. Fred C. Wilson, Chairman, M.W. Bros. S. J. A. Hannon, R. L. Hurdage, Robt. A. Tate, R.W. Bros. T. O. Shaw, J. Rutherford, N. C. Gray.

The members of this Committee freely admit they have no solution to offer whereby District No. 7 can be reduced in area and do not recommend any change in the boundaries of this District.

We do propose the creation of a new District which, we feel, would improve the arrangements of Districts Nos. 5, 12, 13 and 17. We suggest that the following Lodges constitute this new District No. 22:

Harnory	No. 73—Purdie	Aggar	No. 100—Aggar
Zealandia	No. 83—Zealandia	Laverna	No. 171—Taster
Rosetown	No. 91—Rosetown	Hirschel	No. 189—Hirschel
Evergreen	No. 93—Harris	Savanna	No. 190—Savanna

We recommend that Laverna Lodge No. 149, Laverna, be placed in District No. 12.

We recommend that the request of Elbow Lodge No. 147 to be placed back in District No. 5, be granted.

We recommend that the suggested changes in the District boundaries, as indicated in the appended outline, go into effect as and from August 1st, 1955, and that the District Meeting for the new District No. 22 be held subsequent to that date, at the convenience of the Most Worshipful the Grand Master.

We further recommend that the Most Worshipful the Grand Master appoint the D.D.G.M. for District No. 22, forthwith.

Fraternally submitted,

FRED C. WILSON, Chairman.

THE CHALLENGE OF MASOERY IN A TROUBLED WORLD

M. W. Bro. Judge Leroy E. Matson, Past Grand Master,
Grand Lodge of Minnesota.

The following address was delivered at the Grand Lodge Banquet on June 15th, 1953

Brothers:

After listening to my introduction by your Most Worshipful Grand Master, I am eager myself to hear what I have to say.

First of all on behalf of the Grand Master of Minnesota and on behalf of all the Minnesota brethren, I convey to you and your Grand Master sincere fraternal greetings. We in Minnesota have been delighted with the fraternal contributions made by our Grand Lodge officers when they have visited our American Consulate-General. May the path between our respective Grand Lodges ever be well travelled.

Several years ago I arrived one hot and muggy evening in a small town of Western North Dakota where I planned to stay over night. The clerk of the only hotel told me all rooms had been taken. After looking everywhere I was for lodging I set about to the hotel and begged that as a last resort I be permitted to sleep on a cot in one of the rooms. After some hesitation the clerk offered me an attic room which had not been used for many years. I gratefully accepted. The room had only one window and I could not open it. The air was stifling and sleep was impossible. Overwhelmed with a desperate desire for fresh air I opened my hat through the window pane and then went back to bed and slept without difficulty. You can imagine my astonishment the next morning when I found I had broken the glass pane of the window.

You can rest assured, brethren, that it is no imagination on my part when I tell you that I am delighted to participate in the program of your Forty-ninth Annual Grand Lodge Communication. A year ago you conferred upon me a much appreciated honor when you made me an Honorary Past Grand Master of your jurisdiction. I thank you most sincerely for this unusual recognition.

Your hospitality has been most heartwarming. The very moment my plane arrived I was met by one of your distinguished Past Grand Masters, M. W. Bro. Douglas Fraser, who then, and since, has extended me the courtesy

Masonry is defined as "a beautiful system of morality, veiled in allegory and illustrated by symbols." Masonry from beginning to the end is one continuous explication of what is imparted within the Lodge, and more especially in the Degree Work. This truth should teach us on the subject of this paper and to be properly clothed. Of **TRUTH** the Lodge as well as **WORTH** is deserving from whence a Mason for us. Whence does this symbolism derive?

He should be clothed in the **HABILIMENTS OF TRUTH**. Truth as this case merits refers to the Ancient Institution as it has regard to sincerity and frankness. As to express it somewhat differently, his word should be as good as his deed.

He should be clothed in **THE RUBE OF JUSTICE** wherein he will be ready to champion the cause of any one deprived of their just rights, he will bring into play the principles of the Golden Rule, he will be an exponent of fair play and equity. How good to the nation and to the world in general.

He should wear the **MANTLE OF CHARITY** with as much pride as an officer wears his badge. This article of clothing, unfortunately, should be closely associated with that of **THE CLOAK OF MILEAGE**. These two are so closely tied together as to interfere for their actual use and suppose that they give enough credit to the person who will let the **N.E. Angle** of the Lodge, the **vesting mantle** being "simulate the **Parade of the Grand Remonstrance**." In this record from the **V.S.I.** we are indeed never encountering our warm-heartedness, sympathy and compassion. Masonry has done nothing more than promote and administer the Benevolent Fund in its program of relief and assistance. There is nowhere there is justified in our saying to needy human beings "do as thou canst" and an "eternal no" to the worth wholeness of our Institution.

And last, he should wear **THE TUNIC OF TOLERANCE** by clothing the hearts of others and himself in kindness and devotion to all being grateful to a land respecting the many bad opinions of others along with the sparks of character and displaying it as a fine fortification whenever possible. These garments are all of genuine quality measured and cut by the Master Tailor. They are serviceable and in good taste on all occasions. The man who wears them in and of the Lodge is truly "properly clothed."

THE SEVEN LIBERAL ARTS AND SCIENCES

The Seven Liberal Arts and Sciences are

Grammar

Grammar teaches us how to express our ideas in appropriate words. Grammar is the key by which alone the door can be opened to the understanding of speech. Grammar reveals the admirable art of language. Without Grammar it is very difficult to speak with propriety, precision and purity.

Rhetoric beautifies and adorns our words. By Rhetoric is acquired the art of speaking eloquently of persuading and of commanding. To be an eloquent speaker is not only the art of pleasing the fancy but also of speaking both to the understanding and the heart.

These studies are based on the assumption that the observed differences in the prevalence of the disease are due to differences in the exposure to the risk factors. However, it is possible that the observed differences are due to differences in the susceptibility of the population to the disease. For example, the population in the study by [10] may have been more susceptible to the disease than the population in the study by [11].

that is good. Thus we can do only by such Mason acknowledging that he is an instrument for the propagation of the principles of Freemasonry into the life of the community. Now Masons of all creeds should be and be so. Whatever their beliefs whatever their beliefs Masons are men of superior intellect, above reproach in their personal lives and the most responsive men to the community's various crises related to the state of modernism. We must recognize that here is a synthesis and synthesis is a thing which no nation can be sound and with it a free nation can be weak. Hence Mason said he submitted to the union you have done some good for humanity. But we say he submitted to keep on living unless you have made Freemasonry live in the principles by which you live and serve the world.

We now turn to the 46 individual Reviews of current Proceedings of Grand Lodges around the World and hope they may afford pleasure and profit to the Brethren and source material for Masonic Education in the Lodge.

Following a welcome by the Local Convention and the Mayor and the dedication of a set of gates made from wood from a burning of a Caribou. Fraser, decorated in World War I Grand Master Jackson presented his address. He referred to the presence of one of the two surviving Brethren who founded the 1st Lodge in 1824. He welcomed. Principles unite men but programs unite them. "Let us renew our vows of Fidelity to the great principles of Freemasonry, trusting in the power of truth the worth of character and the wisdom of men to make of Freemasonry today an order of men, initiated, sworn and trained to make liberty, justice and truth prevail. Its only creed is that of love and the only faith is our common Faithful."

The subject of special study at District Meetings was "the duties of sponsors and investigating Committee." The 1st Lodge, Calgary, with only one lodge not sponsoring has a most attractive coverage of the entire term. Lectures, exhibits and books were presented. Relief grants totalled \$9,000 with lodge contributions of \$100,000. The Staff addresses to a full contribution to the work of the Masons in the large Western Province. The guest speaker said, "we do indeed the spiritual potential of Freemasonry and you thereby generate a force that can transform the world."

Investigation age granted to G.L. of Victoria (British). The Review the work of several Brethren, is very thorough. Statistics are well covered.

The usual Flag presentation and pledge of Allegiance heralded the opening of Grand Lodge. G. Master Brown welcomed 13 P.G.Ms. Detached visitors from 3 G. Lodges and 21 Grand Representatives. In presenting his Report he stated he had travelled over 20,000 miles visiting every Lodge. He found in these visits the "signs of a Grand Master. He said we in the character of Masons are particularly thankful for the freedom, enlightenment and independence which are the fundamental heritage of our Fraternity." "The Craft is general affairs necessary for Masonic information and education. How much smaller would be our numbers if we counted only Masons instead of members?"

2 Constitutions and 21 dispensations granted. A special Communication lasting two days was held in the open air at the Grand Canyon. 22 Lodges and 11 sister Jurisdictions were represented. Its purpose was to honor the Pioneer Masters of the state who met on the highest hills and in the secret valleys. He deplores the tendency to overlarge Lodges stating that "Masonic boundaries in the great north" Grand Lodge decided, increased and sent on a "Cup of Breadth" Love which Franklin Lodge 241 years ago started travelling ever eastward and had just reached the western shore of U. S. A. Total assets \$474,000; 11 Fifty year awards, 5 scholarships granted, Public Schools work sponsored and a committee set up to consider joining with O. E. S. to build a Masonic Home.

Grand Master Irtz said "Masonry cannot live on the reflected glory of the past, its worth must be measured by the actions of Masons of today. He travelled over 20,000 miles, was made an Hon. Lodge 49 Fifty-year Buttons and 5 scholarships for higher education were awarded. Physical defects was interpreted generously, to mean such defect as make a union virtually impossible. A widespread tornado destroyed one Temple for the restoration where the G. M. made a general appeal to the Lodges with splendid results. He recommended the appointment of a Committee on Masonic Education to meet the problem of the large influx of new members and the establishment of 2 students each under a P. D. G. M. very similar in operation to ours. Net worth \$402,000. The Charity Board reimburses the Lodge one half the amount of approved relief grants. There were 49 cases and the grants were \$9,312. Acknowledgment was given for the destruction of bills, checks and the records after 5 years. In cooperation with the state they maintain a School and assisted 202 patients in the I. B. San.

G. Master Curran was the victim of a major operation "which" laid him up for four months and slowed him down for much of the year. Tendered a rive welcome and at noon of the first day a full divine service was held in an adjoining church. Its attendance were 8 P. G. Masters, 16 D. D. G. Ms. and 25 G. Representatives. Three representatives of "Pearl Lodge" Dawson Creek travelled 1,000 miles to attend. That "Masonry is on the march in B. C." was evidenced by the granting of 4 dispensations and 6 constitutions. "The Bulletin" has 100% circulation with an issue of over 25,000 monthly \$3,591, over two and one-half times the appropriation, was spent on Masonic Education. The Dependent Fund totals \$641,336. 42 beneficiaries received grants of \$12,740. Total assets are \$1,501,000. 52 Fifty-year Buttons granted.

Their Flag ceremony marked by reverence reflects true devotion to freedom. 4 Grand Jurisdictions were represented. Grants were made to Lodges and Brothers suffering loss and distress through tornadoes. Adopted a ceremony for presentation of Fifty-year Medals of which three were awarded to P.G. Masters, the senior of which ruled in 1815. Facing support the publication of the "History of Colorado Freemasonry" was postponed indefinitely.

The G. Lecturer reported that "while Masonry has prospered and gained strength Lodge attendance, with only 11% active is decreasing and the performance of officers is inferior. They are involved in legal action to restrain a circulating G. Lodge. Adopted a new burial service which appeals to us as very solemn and appropriate.

Beneficent Fund of \$1,215,000 was founded in 1900 with a \$50 gift. Most recent bequest was \$750,000 left by a non-Mason. 45 beneficiaries granted \$25,000. The Armed Forces hospital visitations work is outstanding. Masonic Education thriving.

G. M. Mason's report is a demonstration of efficiency and unswerving aim with how much the time and vitality of a G. Lodge reflects the interest, vision and hard work of the Grand Master. new Lodges formed and 25 committees with 8 sub-committees and the Trustees all functioned well under his inspired leadership. The U. G. M. died during the year and G. Lodge erected a monument at his grave and elected him G. Master posthumously. The G. Master, after ballot, made his brother an M. Launched the "Fourth Mason" an 8-page publication carrying advertising, issued 62 ratings, 20 fifty year Certificates. There are 78 guests in the Home and 46 on outside road. Net worth of G. Lodge is \$232,000. We quote from the eloquent address of the G. Master: "Service is the high art of living. The spirit of service must breathe life into the work of our hands. The only real thing we have to offer a service to God, our neighbor, our country and ourselves, with special emphasis on service to youth. Not the demand but kind but rather a loving discipline which checks but does not deny a co-operative, efficient and wise educational program. Ours is a golden opportunity to focus our youth into a strong bulwark against encroachment of forces inimical to Democracy. We are at the crossroads."
